Allergen Statement Letter

HI-TEMP FOOD GRADE™ Anti-Seize Compound

Dear Customer,

This letter confirms that the products sold by Anti-Seize Technology do not contain any applicable ingredients that could result in allergic reactions.

The allergens are:

1. Wheat, gluten
2. Crustacean shellfish (e.g. crab, lobster, shrimp);
3. Eggs
4. Fish
5. Peanuts
6. Dairy Products
7. Tree nuts (e.g. almonds, pecans, walnuts); and
8. Soybeans.
9. Sulfites

Our HI-TEMP FOOD GRADE™ Anti-Seize Compound has not been tested specifically for allergens but does not contain any of the above-mentioned ingredients or their derivatives.

Furthermore, we do not process or store any product, which contain known allergens in our plant.
