

AST™ CONTACT CLEANER

Flammable

WWW.ANTISEIZE.COM

Product Description

AST™ Contact Cleaner, Flammable Grade is an electronic cleaner specifically designed lower cost solvent which cleans electrical contacts and electrical components. Over time electrical contacts can oxidize resulting in loss of performance and our AST™ Contact Cleaner will aid in removing oxidation from the contacts and restore performance.

AST™ Contact Cleaner will remove grease, oil, flux and dirt from electrical devices. It is flammable and quickly evaporates leaving no residues behind.

AST™ Contact Cleaner, Flammable Grade is not designed for use on running, electrically charged motors or circuit boards. The power should be turned off and the system de-energized before using and the solvent should be given ample time to evaporate before restoring power to the unit.

Features & Benefits

- Non-staining, non-corrosive
- Quick cleaning action leaves no residue
- Will not harm most plastics, paint or insulation
- CFC Free Formula
- 3 way action, cleans, restores, protects
- No Hazardous Air Pollutants

Applications include

Switches and contacts, Magnetic and video tape heads, motors, precision instruments, copiers, printed circuit boards, relays, alarm systems, telephone switching gear, control panels, Audio/Video connections, Power tools, Tuners

Typical Properties

Property	Value
Color	Clear
Specific Gravity	0.8
Boiling point	>100F
Flash Point	<0 F
Toxicity	Low toxicity
RoHS	Compliant

Cautions

Do not use on running, electrically charged motors or circuit boards or other charged electrical components. The power should be turned off before using and the solvent should be given ample time to evaporate before restoring power to the unit.

Always spot test your components before using. Read all information on labels and Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use.

GHS compliant

[This product requires GHS pictograms on labels. Refer to Label and SDS for GHS information.](#)

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.

Available In:

Size: 11 oz Aerosol

P/N: 17036
