

CHAIN AND CABLE LUBE Aerosol

WWW.ANTISEIZE.COM

Product Description

Chain and Cable Lube is a Heavy Duty lubricant specifically formulated to penetrate deep into the cable strands or chain links to reduce friction, fight corrosion, guard against moisture damage and provide maximum protection to your parts. Our Chain and Cable Lube has foaming action which clings to chain links or cable strands and penetrates deep into the smallest crevices. Our Chain and Cable Lube contains Molybdenum Disulfide, Graphite and anti-oxidants along with special lubricants to provide long lasting lubrication and rust protection. It protects equipment against dirt and dust and water migration. When dry, it will not fling off your parts. Using our Chain and Cable Lube will greatly increase the life of your components, reduces wear and heat build up and helps to eliminate costly repairs or replacement of your parts. Available in an easy to use Aerosol can for your application.

Features & Benefits

- Multi-purpose, heavy duty lubricant
- Contains Molybdenum Disulfide and Graphite, two of the best solid lubricants available
- penetrates into cable strands for maximum protection
- Clings to all surfaces
- Provides a non-gumming protective film
- Displaces water, provides maximum protection against water immersion or atmospheric humidity
- Prevents corrosion and lubricates
- Increases the life of your components
- Reduces Service and Maintenance
- VOC Compliant

Applications include

Roller Chains, wire rope, hoists and conveyors, cables, chain drives, sprockets, Link and roller assemblies, hinges, motorcycle and bike chains, Marine, Industrial applications, and more

Typical Properties

Property	Value
Color	Black
Odor	Solvent like until dry
Specific Gravity	1.1
Maximum Temperature	900°F
Viscosity	Thin Liquid until dry
RoHS 3	Compliant

Cautions

Read all information on labels and Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use.

GHS compliant

[This product requires GHS pictograms on labels. Refer to Label and SDS for GHS information.](#)

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.

Available In:

Size: 11.75 oz Net wt. Aerosol

P/N: 17040
