

AST PENETRANT II™ Aerosol

Product Description

AST Penetrant II is a Heavy-Duty, Industrial strength Penetrant which has been designed to quickly penetrate deep into heavy rust, scale and corrosion to quickly free parts faster than ordinary penetrating oils. CFC, chlorinated solvents and silicone free formula.

Features & Benefits

- Penetrates hard to reach places on Contact
- Frees and lubricates frozen and rusted parts
- VOC Compliant
- Special Formula attacks and dissolves rust
- Jet Stream delivery allows precision spraying

Applications include

Any rusted or frozen connection, nuts and bolts, autos, trucks, factory machinery, marine applications, locks, hinges, corroded plumbing connections, gummed up or sticking mechanisms, rusted tools, rusted chains and cables, garage door rollers, construction and mining machinery and many other applications
