

AST SILICONE LUBRICANT

Aerosol

INDUSTRIAL GRADE

Product Description

AST Silicone Industrial Grade Lubricant is a Heavy-Duty pure Silicone Oil Lubricant that makes everything slide and glide more easily with no greasy mess. It waterproofs, protects, and adds Rust Protection to almost any surface to resist breakdown under heavy loads or mechanical shear.

AST Silicone Industrial Grade Lubricant is ideal for lubricating Rubber and Plastic parts. It leaves a film of slippery Silicone which does not attract dirt like other lubricants can. Great for silencing squeaks and making things slide easier.

AST Silicone Industrial Grade Lubricant helps prevent rubber from cracking and drying out. It protects against water damage and resists wash off. It can be used as a mold release agent in many applications.

Features & Benefits

- 100% pure silicone
- Non-toxic and non-staining
- Odorless, colorless
- Provides a non-tacky film of lubrication
- Excellent release properties for metallic and non-metallic surfaces
- Aerosol is CFC Free
- VOC Compliant
- RoHS Compliant

Applications include

Refrigeration equipment, plastic and rubber parts, door and window seals, sliding surfaces, conveyors and chutes, guides and rails, lawn mowers blades and decks, molding die casting and stamping dies, automotive, snow removal equipment, construction and mining equipment and many, many other applications.

Cautions

This product is not recommended for use in oxygen systems. Read all information on labels and Material Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use.

GHS compliant

This product requires GHS pictograms on labels. Refer to Label and SDS for GHS information.

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.

Available Sizes

Size: 9.75 oz net wt CFC Free Aerosol
