# HEAVY DUTY™ Liquid Cleaner/Degreaser

## Product Description

Heavy Duty™ Liquid Cleaner and Degreaser is concentrated water based hard surface cleaner and degreaser specially formulated to cut through heavy grease, oil deposits and other hydrocarbons. Is a high alkaline cleaner which relies on a unique blend of high activity surfactants to cut through heavy grease and oil deposits.

Heavy Duty™ is NSF Registered with an A-4 Rating for use in floor and wall cleaning. Registration Number 135302

## Features & Benefits

- Cleans by spontaneous emulsion.
- Free of acids and ammonia
- Non-flammable
- Prevents re-depositing of oily soils during cleaning
- Deodorizes as it cleans
- Rust inhibiting
- Biodegradable
- May be diluted or used concentrated
- Does not remove floor wax

## Applications include

All hard surfaces, floors, walls, fiberglass, metals, nylon, porcelain, ceramic tile, rubber, concrete, marble, linoleum. Recommended for soot buildup, cooking grease, and heavier industrial cleaning problems and many other applications.

## Composition

Composed primarily of highly active surfactants. Proprietary ingredients. Refer to the Material Safety Data Sheet for additional information.

## Dilution

May be used concentrated for heavy oil deposits or diluted to users preference for general cleaning.

## Typical Properties

Property	Value
Color	Green
Specific Gravity	0.9
Flash Point	Not flammable

## Shelf Life

Guaranteed replacement one year from date of purchase. Shelf life may be longer depending upon storage location and conditions. Store with container covered in a cool dry place for optimum shelf life.

## Storage

Store in the original container. Keep container sealed when not in use. Store away from high heat. Keep away from children.

## Cautions

Wet surfaces will be slippery, use appropriate cautions. Read all information on labels and Material Safety Data Sheets prior to use. All products should be tested & evaluated for a particular purpose prior to use. See Warranty Statement in our Catalog or on our Website.

## Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.
