HEAVY DUTY 527

Liquid Cleaner/Degreaser

Product Description

Heavy Duty 527 Liquid Cleaner and Degreaser is concentrated water based hard surface cleaner and degreaser specially formulated to cut through heavy grease, oil deposits and other hydrocarbons. Heavy Duty 527 does not contain, delimonene, glycol ethers or any other solvent to harm the environment or cause waste disposal issues. Heavy Duty 527 relies on a unique blend of high activity surfactants to cut through heavy grease and oil deposits.

Features & Benefits

- Cleans by spontaneous emulsion.
- Free of acids and ammonia
- Non-flammable
- Prevents re-depositing of oily soils during cleaning
- Deodorizes as it cleans
- Rust inhibiting
- Biodegradable
- May be diluted or used concentrated
- Does not remove floor wax

Applications include

All hard surfaces, floors, walls, fiberglass, metals, nylon, porcelain, ceramic tile, rubber, concrete, marble, linoleum. Recommended for soot buildup, cooking grease, and heavier industrial cleaning problems and many other applications.

Composition

Composed primarily of highly active surfactants. Proprietary ingredients. Refer to the Safety Data Sheet for additional information.

Dilution

May be used concentrated for heavy oil deposits or diluted to users preference for general cleaning.

Shelf Life

Guaranteed replacement one year from date of purchase. Shelf life may be longer depending upon storage location and conditions. Store with container covered in a cool dry place for optimum shelf life.

Clean up

Skin Contact: Under normal usage - removal with water.

Storage

Store in the original container. Keep container sealed when not in use. Store away from high heat. Keep away from children.
