

AST™ SOLVENT DEGREASER AEROSOL

WWW.ANTISEIZE.COM

Product Description

AST™ Solvent Degreaser is a safe petroleum distillate degreaser that offers an effective way to remove grease, oil and dirt from your parts. It will quickly penetrate heavy deposits and wash them away. It is effective at removing Asphalt and Tar from painted surfaces without harming the finish. It has a slower evaporation rate that allows longer working time without reapplication. Its powerful spray quickly removes heavy deposits in hard to reach places. It's great for Maintenance Personal and Field applications.

Features & Benefits

- Does not contain any Chlorinated solvents
- Quickly cuts through grease and oil
- Safe on most painted surfaces
- Low odor, slow evaporation, longer working time
- Conveyance in a can
- Powerful spray removes grease quickly
- Gets into hard to reach places

Applications include

Truck and Auto Engines, Machinery and tools, pumps and compressors, metal, most plastics,

Typical Properties

Property	Value
Color	clear
Specific Gravity	0.8
Odor	Low odor
Flash Point	> 100
RoHS	Compliant

Cautions

It is always recommended that you spot test parts to ensure the product does not affect your work piece. This product could have some effect on certain plastics and rubber components. Read all information on labels and Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use.

GHS compliant

This product requires GHS pictograms on labels.
Refer to Label and SDS for GHS information.

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.
