

# AIR TOOL CONDITIONER & CLEANER

[WWW.ANTISEIZE.COM](http://WWW.ANTISEIZE.COM)

## Product Description

**Air Tool Conditioner/Cleaner** is a blend of oils that clean, lubricates and reconditions air operated power tools, air pumps, pneumatic devices and pneumatic systems. It can also be added to pneumatic lubricators to protect and lubricate your air operated tools and pumps as well as directly adding it to pneumatically operated tools.

This unique formula will lubricate the tool and dissolves sludge and other obstructions assuring optimum tool performance. Air Tool Conditioner/Cleaner helps to reduce damage to your tools caused by moisture in your airlines and helps to protect against rust and corrosion. It extends the operational life of your tools and keeps them operating smoothly.

We offer our **Air Tool Conditioner/Cleaner** in two easy to use forms, a Convenient Aerosol Spray and in a 1 pint squirt bottle with a spout. The larger gallon and 5 gallon sizes may be used in your system oilers to reduce rust and corrosion in your pneumatic systems.

## Features & Benefits

- Eliminates calcium build up from moisture
- Improves tool performance
- Dissolves sludge and dirt accumulation
- Enables tool parts to move freely
- Restores air tool to peak power and rpm's
- Extends the life of your tools

## Applications include

Air nailers, Air Sanders and Grinders, pneumatic staplers, Air Drills, Impact wrenches, air operated ratchets, pneumatic screwdrivers, pneumatic riveters, die grinders, air shears, air nibblers, Scalers and chisels, air hammers, chipping hammers, jackhammers, air operated pumps, air motors, Lubricates air couplers for smooth operation,

## Typical Properties

Property	Value
Color	Amber color
Specific Gravity	0.8
Odor	Slight Petroleum Odor
RoHS	Compliant
Viscosity	Thin Oil

## Cautions

This product is not recommended for use in an oxygen system and not as a sealant for chlorine or other strong oxidizing materials. Read all information on labels and Material Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use.

## GHS compliant

This product requires GHS pictograms on labels for the aerosol version only.

Refer to Label and SDS for GHS information

## Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.

## Available In:

**Size:** 11.75oz Net wt. Aerosol

**P/N:** 17011

**Size:** 1pt squirt bottle, 1 gal, 5gal, 55 gal

**P/N:** 53700 53701 53705 53755
