---

## Product Description

Adhesive Spray, Aerosol, is a multi-purpose, pressure sensitive adhesive designed to form either a permanent or temporary bond between two porous or non-porous materials. It's waterproof and colorless. It sets up fast and has aggressive tack development with low soak in qualities.

Adhesive Spray is specially designed for many Industrial, Home, Office and Hobby uses. When dry the Adhesive is non-toxic, non-irritating and meets the requirements for indirect food contact as outlined in 21 CFR 175.105

## Features & Benefits

- Colorless when dry
- Low soak in qualities
- Waterproof
- Permanent or temporary bond

## Typical Properties

Property	Value
Color	Clear
Odor	No odor when dry
