ACTIONEZE 422™

Liquid Cleaner/Degreaser

Product Description

Actioneze 422™ Liquid Cleaner and Floor Stripper is an extremely strong concentrated water based hard surface cleaner and wax stripper specially formulated to cut through heavy grease, oil deposits and remove years of built up floor wax. It is a high alkaline cleaner which relies on a unique blend of high activity surfactants to cut through heavy grease and oil deposit.

Features & Benefits

- Cleans by spontaneous emulsion.
- Non-flammable
- Prevents re-depositing of oily soils during cleaning
- Biodegradable
- May be diluted or used concentrated

Applications include

All hard surfaces, floors, walls, fiberglass, metals, nylon, porcelain, ceramic tile, rubber, concrete, marble, linoleum. Recommended for soot buildup, cooking grease, and heavier industrial cleaning problems and many other applications.

Composition

Composed primarily of highly active surfactants. Proprietary ingredients. Refer to the Material Safety Data Sheet for additional information.

Dilution

May be used concentrated for heavy oil deposits or diluted to user preference for general cleaning.

Shelf Life

Guaranteed replacement one year from date of purchase. Shelf life may be much longer depending upon storage location and conditions. Store with container covered in a cool dry place for optimum shelf life.

Storage

Store in the original container. Keep container sealed when not in use. Store away from high heat. Keep away from children.

Cautions

Wet surfaces will be slippery, use appropriate cautions. Read all information on labels and Material Safety Data Sheets prior to use. All products should be tested & evaluated for a particular purpose prior to use. See Warranty Statement in our Catalog or on our Website.

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.
